

## Information about Resident Passes

The Red Emergency Booklets with the Resident Passes inside the front cover have been distributed over the summer and fall months by the Brighton Emergency Team Members.

These passes are **ONLY** for days when the **parking** at the resorts are **FULL**.

The Resident Passes show that you have your **own parking** at your residence. If the highway is closed for any other reason the resident pass will **NOT** allow even the President of the United States access.

If you have not received an Emergency Booklet with Resident Passes contact [janemartain@brighton.utah.gov](mailto:janemartain@brighton.utah.gov)
