

Brighton Days

Event Date

Thu, Jul 22 2021, 11pm - Sat, Jul 24 2021, 10:55pm

Brighton Days will be the first annual heritage celebration to honor the natural and cultural history of Big Cottonwood Canyon. Shoshone and Ute tribes, pioneer settlers, loggers, miners, and recreationists have been drawn to this canyon's abundant natural resources. Our goal for the future is to foster an appreciation and stewardship for a resilient forest, responsible recreation, and a sense of place. Free fun for the whole family!
