

Brighton Days - July 13-14, 2024

Event Date

Sat, Jul 13 - Sun, Jul 14 2024, All day

Join us for the third annual Brighton Days - a yearly heritage celebration honoring the natural and cultural history of Big Cottonwood Canyon. Shoshone and Ute tribes, pioneer settlers, loggers, miners, and recreationists have been drawn to this canyon's abundant natural resources. Our goal for the future is to foster an appreciation and stewardship for a resilient forest, responsible recreation, and a sense of place.
